13.2.4 On Saturday 26th and Sunday 27th Arbitration and Protest Hearings will be held after racing. However, on Sunday 27th, some yachts involved in a Protest Hearing may be returning to their home ports straight after the last race of the day. In this case the relevant competitor must inform the race committee that they will not be able to attend a Hearing on Sunday 27th by using the Sussex Regatta WhatsApp; this message should be posted at the earliest opportunity and must be less than 90 minutes after the last boat finishes the last race of that class on that day or the race committee signals no more racing today, whichever is later. In this situation the Organising Authority will arrange hearings on 2nd, 3rd, or 4th October 2026 as mutually convenient using the procedure of Article 13.2.3 although it may take longer to post the Hearing schedule. Failure to be able to attend a Hearing shall not be cause to claim redress.
